Office of the Director

Honorable William H. Webster  
Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Webster:

As Director of OPM, I have made simplification of the Federal personnel system my top priority. Recently, I requested a review of our progress in meeting that key objective. Knowing of your interest in management improvement, I am passing along a copy of that report to you.

To a great extent, the strides we have made are attributable to the support and active involvement of Federal managers and personnel officials throughout the Government. I deeply appreciate your assistance and hope that, as you learn of these changes, you will use them to full advantage. I look forward to continuing this partnership as we move further toward our goal of simplified human resource management in the Federal service.

Sincerely,

Constance Horner  
Director
